

The World's Finest Series Doors

Manufacturer's Certification Statement

Pertaining to the Energy Policy Act of 2005

Martin Garage Doors manufactured by Martin Door Manufacturing, Inc.

This manufacturer's certification statement can be utilized for verification that insulated Martin Garage Doors are eligible for the energy tax credit set forth in the Energy Policy Act of 2005. The Internal Revenue Service requires that a manufacturer be identified in the certification statement. Martin Door Manufacturing of Salt Lake City makes all Martin Garage Doors.

In accordance with the IRS guidelines, the following insulated models of Martin Garage Doors qualify as eligible building envelope components, as established by Section 25C of the Energy Policy Act of 2005.

Product Description	Door U-Factor (Must be <0.35)
